DECORATIVE PANEL SYSTEM FOR INTERNAL WALLS AND CEILINGS

DecorMilano

Decorative panels for a continuous linear effects

Product Description

DecorMilano is the newest product in our ever growing range of Decorative Panels. The choice is limitless in the final look. The style and final look of your panel can be determined by the width of the groove and face veneer. You can have a 28mm strip with a 4mm groove or for a slimmer look you may select a 10mm strip with a 2mm groove.

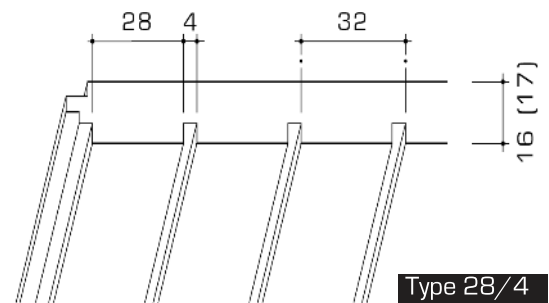

DecorMilano blends very well with our newly released DecorLini for those areas where you want the lineal look but do not need the acoustic rating. Suitable for clubs, pubs, reception foyers, lift lobbies, restaurants, board rooms, office fitouts, shopping centres, residential, the opportunities are limitless.

Durable and easy to clean. Easy to install using Decor Systems Decor Mount fixing system.
