

PROJECT SHOWCASE

Jaguar Land Rover Centre Mascot, NSW

Mascot Sydney is the home to the new headquarters and training academy of Jaguar & Land Rover. Acclaimed designers Group GSA selected the Group 1 fire rated seamless perforated Vogl plasterboard ceilings throughout the project to address the acoustic requirements of this prestigious fitout.

The extensive use of bespoke timber slat panels, stone and Corian tops all blend seamlessly with the beautiful Vogl ceilings to create a fresh and welcoming environment.

PRODUCT

Vogl Seamless Perforated
Plasterboard

LOCATION

O'riordan St, Mascot NSW
